years. She is passionate about travel and she feels both honor and excitement to be able to share her passion with others. Over the years, she has helped people travel through all of their milestones. While the pandemic has been a very trying time for all, it has hit the travel industry particularly hard. She has spent downtime educating herself on new destinations, clientele, processes and networking. She has been providing valuable information and giving presentations on the constantly changing policy of travel during Covid, providing tips on how to plan your travel, staying healthy while travelling and providing resources.

In-Person Meetings

Rotary Club of San Jose Silicon Valley will have its first in-person/ZOOM meeting at Kris Myers house 12:00-1:00pm. Our speaker Helen Baldivinos will join us via ZOOM. Members who will not join us in person will still be able to ZOOM in. Lou Bash has spent quite a few volunteer hours keeping us tech savvy for this in-person/virtual meeting.

We have not been able to meet in person for over a year so hopefully we will be able to see a lot of friendly faces!

Due to covid restrictions still in place and to keep things simple for Kris, please note the following:

1. Each person attending will be responsible for bringing their own food and beverage.
2. We will wear masks during the meeting and social distance as much as possible as not everyone in the club has been fully vaccinated.

Dear Brian,

On behalf of the pets, their guardians and Feeding Pets of the Homeless®, we send you sincere gratitude for your generous restricted gift for emergency veterinary care for Santa Clara County of \$5,000 that we received today. The date on the check is 4/1/2021. Your generosity is very much appreciated.

The pandemic in the world has caused crises on so many fronts, and greater struggles for the homeless and their pets. Feeding Pets of the Homeless® is committed to offer pet food, veterinary care (emergency and at wellness clinics) to our nation's homeless who have companion and service animals.

The support of partners like Rotary Club of San Jose Silicon Valley Foundation is essential to transform the lives of animals and the people who love them unconditionally. During 2020, we helped 698 pets that belong to the homeless in the United States with emergency veterinary care at a cost of \$320,843 (after discounts from hospitals).

In recognition of your generosity, we plan to acknowledge the foundation on our website and in our 2020 annual report as:

Rotary Club of San Jose Silicon Valley Foundation

If you have any questions or would like to change how your foundation will be listed, please let me know.

With gratitude,

Dear Brian:

On behalf of Alum Rock Counseling Center (ARCC), I would like to extend my sincerest thanks to you and the Rotary Club of San Jose Silicon Valley Foundation for your grant contribution in the amount of \$5,000 received on 4/7/21 in support of ARCC's Middle School Mentoring Program, serving students at Ocala STEAM Academy in East San Jose. We are humbled and deeply appreciative for your belief in the work we do and for doing so much to make our good work possible. Please know that your gift is helping us care for some of the highest need Latinx youth in our local communities, including now virtually during the pandemic.

The critical dollars you have provided will allow us to impact the experiences, outcomes and (what seems to be) long-term futures of the mentoring program students we serve. It helps them create new visions for themselves and new ideas of what is possible, and inspires them to achieve and become the best versions of themselves. Thank you for clearly caring so deeply about the well-being of our local communities. Your commitment to ensuring the health and academic success of those youth who are most vulnerable makes a profound difference not only today but, in many cases, for generations to come.

If you have any questions about ARCC or your donation, please do not hesitate to contact me at sdryer@alumrockcc.org or 408.930.2665. We look forward to joining you at the Rotary Club Meeting on Friday, May 21.

With deepest appreciation,

Stacy Dryer

Dear Brian and fellow Rotarians,

This past year has brought unforeseen challenges to all of our lives. Yet, in these unpredictable times, you decided to catalyze and to support the youth and young families at Bill Wilson Center. Our staff, volunteers, and the youth themselves cannot express how grateful we are for your on-going generosity during this unprecedented time of need.

Your contribution allows Bill Wilson Center to offer young people a sense of safety and comfort this year. Through a continuum of services in shelter, education, and counseling – our youth and young families remain safe in Bill Wilson Center's care and prepare to get back on their feet when life permits them to do so.

Your gift of \$2,520 received on 4/28/2021 to assist with motel stays for youth testing positive for COVID-19 shows the extension of your concern for the most marginalized populations in Santa Clara County. The sad truth is many of these young people have already experienced loss and tragedy in their young lives. With your help, Bill Wilson Center continues to assist these youth and families through both personal and largescale challenges while securing their path to success in life.

Thank you for thinking of BWC's youth and families during this time. Generosity, like yours, strengthens our community and brings us closer together.

Sincerely,

Sparky Harlan
Chief Executive Officer

P.S. To learn more about how you can help make a difference in the lives of homeless youth, please contact our development associate at 408-850-6129 or vcaustrita@billwilsoncenter.org.
