Grow Rotary Impact

Hung Wei

Grow Rotary Impact - our Rotarinas are the best resources in growing Rotary membership that leads to more Rotary Impact. Rotarians are privileged to be part of Rotary and have the responsibility to share Rotary with people so they also have the same opportunity to be part of People of Action. It is a Rotarian's privilege and

responsibility to grow Rotary by sponsoring new members, so Rotary has more resources, more talents, more service projects, thus growing more Rotary Impact!

Service Opportunities

Reading through Rotary Project

Three school age children joined Carol Goedde to paint the lending box. They were creative with their designs and added an original, neighborhood look to it. See pics on page 6.

We need donated paint. We are looking for water base, indoor/outdoor, latex paint, basic, bright colors.

If anyone wants to participate, contact Carol or Janette. This is a project that offers a lot of opportunity for members and friends to participate and have some fun.

Members are invited to donate books, volunteer painting of the housings, or planting the posts.
